

**BEFORE WE SAY GOODBYE...
TALKING ABOUT DEATH SERIES - PART TWO
NORMANDALE LUTHERAN CHURCH
NOVEMBER 20, 2011**

Session 6 How Then Shall We Live? Completing Your Advanced Directives as an Affirmation of Life

Discussion Questions:

When you think about your aging and eventual decline - what values come to mind?

If you could have your way completely, how would you want to be treated as death comes near

How do you make important decisions in your family? How have you learned to do it this way?

Going Deeper:

When has it been difficult for you to entrust control to someone else? How has that been a dynamic in your relationship with God? What is God inviting you to do in your walk of faith?

How might the values and character of your life thus far inform how you want to exit this life? How might your journey into death be a legacy of these values to your loved ones?
