

## Our Mission

Seedling's Ministries is a collection of programs supporting children, youth and families in Edina, MN. We are committed to partnering with parents in nurturing their child's faith in God. We are happy to care for and teach God's word to your children and we strive to provide a warm, loving, safe environment for your little one. We want to minister to each infant, toddler and preschooler with the same love and compassion God has for us.

# Faithfully supporting Children, Youth and Families in our community.

## Kids Night Out

On the second Saturday of every month we have a drop off childcare program for families. It allows our parents to build on their relationships, and provides an opportunity for the youngest parishioners to meet up with their friends. This program is offered for ages newborn to twelve years old.

## Toddler Sunday School

In partnership with Children's Ministry, this program provides a child's first nurture experience on Sunday morning. This is a parent and child class.

## Blessing Place

Blessing Place provides a child-centered, faith-centered developmentally appropriate program. Our goal is to meet the needs of each child on an individual basis in a Christian atmosphere. Blessing Place provides a learning environment, rich in discovery and experience as they explore God's world.

## Wild Wacky Wonderful Wednesdays

4W is the new addition to our family of programs. It is a weekly faith-based summer camp for newborns to nine year olds, We will celebrate Gods love with arts and crafts, small and large motor activities and games.

## Fun Faith-Filled Fridays

4F is our summer faith-based child care program. A weekly faith filled adventure camp for newborns to 9 year olds. We explore God through Word, art and science. During the summer the children will unearth how and why God made water, dirt, color and so many other wonderful things.

## Toddler Vacation Bible School

This is about sharing the richness of the Bible through art, play and snacks in an age appropriate manner. This also brings a continuity of experience to families with younger children.

## Annual Birth-Day Celebration

A chance for cake, fun crafts and fellowship with all the families who have welcomed a newborn into their lives this year.
