DISCUSSION QUESTIONS

Dr. Rolf Jacobson

1. Is God free to do whatever God wants? Do God's promises to us limit God, or is God free to break those promises?
2. What is the connection between what you do in worship and what you do the rest of your week?
3. What do you think of God's anger? Is God still angry or did that all go away with Jesus?
4. Is a God of anger different than a God of love?
